POSSIBLE TAX REFUNDS FOR FILIPINOS WITH NON-RESIDENT DEPENDENTS

A report has been received by the Kahukuan which says that refunds of income taxes may be due on 1945, 1946 and 1947 taxes to some Filipino taxpayers. According to this report, there are two categories of possible refunds:

FURTHER EXTENSION OF 40 HOUR WORK SCHEDULE NOT PLANNED

The Plantation Management has recently placed several operating departments, including Warehouse, Garage, Electric Shop and Power Plant, on a 40 hour work week schedule. There are, however, no present plans for extending this 40-hour work schedule to any other department.

The change to a 40 hour schedule in the departments where this has been done was made entirely because of the provisions of the Federal Fair Labor Standards Act which provides that all non-agricultural work which is performed in any operations connected with or engaged in interstate commerce are 40 hour week jobs. The courts have interpreted this to apply to some of the operations on this Plantation and it has therefore been necessary to schedule this work on a 40 hour basis.

The rest of the Plantation jobs are, however, regarded as not being covered by this Act and the Company does not plan any immediate changes in the present 48 hour working schedule for the balance of Kahuku employees.

LETTER FROM THE PEOPLE SHOULD A KAHUKU COMMUNITY ASSOCIATION BE ORGANIZED

The time will come when a community association in Kahuku must be organized with the outlying districts participating. In this community, we have a great deal of community obligations that must be met by us. Community improvements that can only be gotten by a strong, well organized community association, so let's get on the ball - otherwise, we'll be left holding the bag.

We owe this to our children. Let us think it over thoroughly. You, the leaders of the various organizations in Kahuku and outlying districts in Koolauloa should bring it to the attention of your club members, and have a discussion on it.

If your club feels that a community association should be organized, which they should, then all you club leaders should get together one of these days soon, and start the ball rolling.

JUANITA CELEBRATES 11th BIRTHDAY

A Filipino luau was held at the home of Mr. and Mrs. Simproso Luis of New Camp, honoring the eleventh birthday of their daughter, Juanita, on Sunday, January 23rd.

An eight course dinner in various Filipino styles was served to the many guests. Music was rendered beautifully by the popular Hi-

Lighters. Songs were sung by the Alonzo sisters and Idion sisters.

High light of the luau was a visit by one of Philippines favorite comedian, Mariano Contreros, otherwise known as "Pugo", the one half of the noted "Pugo and Togo" comedy team. His partner in comedy Francisco Salomon, known to the movie fans as "Togo" was not able to pay homage to the honoree. "Pugo" also sang two Filipino songs for the honoree, her family and guests.

The luau ended at five with the honoree and family tired after a hectic day of celebration, which comes but once a year. The Kahukuan wishes you many Happy Birthdays to come, Juanita.

KAHUKU LOSES TWO GAMES

Kahuku "A" and "B" team lost a double header at Kunia Gym to the C P C quintet. Kahuku lost in the "B" Division 33 to 23 and 46 to 42 in the "A" Division after an extra five minutes period.

The forcing of the Kahuku School players by the school from participating for outside teams was mostly responsible for the defeat - no alibi.

Kahuku "A" quintet left the court at the rest period leading 22 to 18. During the second half the Del Monte lads forged ahead and was leading by one point when the horn sounded to end the game. At the time of the whistle a foul on Kanji Nakamoto was committed giving Kahuku the chance to tie the score. Kanji made good the charity shot and the game ended in a tie, necessitating the extra 5 minutes.

Pedro Magallones with 21 points was the best point getter for the evening.

VOLLEYBALL PLAYERS ATTENTION

K A A is considering of entering a team in the A U U Junior Volleyball League, which will commence playing on March 3rd. Should Kahuku enter a team all players must be registered with the A A U Commission. The fees are 25¢ per person.
